The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.

The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.

The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.

The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.

The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.

The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.

The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.

The higher mark between Biology and Mathematics is taken for calculation of Total Marks.

The above Merit position is on the basis of marks obtained in the Common Entrance Examination (C.E.E- 2020) and the information supplied by the candidate at the time of online submission of Application form. The final selection for admission into B.Sc. Nursing/D. Pharm Courses will be done at the time of counseling after verification of all relevant original documents.
